THE CENTER FOR AMERICAN ART

# The Salmagundi

Welcomes you to its 8th Annual Art Exhibition for Non-Members. An event that again testifies to the fact that at Salmagundi we uphold high standards of artistic accomplishment. It is a place where creative artists can display their artistic talents in what has become known as the Center for American Art. Salmagundi was founded 112 years ago, making it the oldest professional art organization in America. There are many activities at the club during the year and art classes are conducted for both beginners and advanced students on a non-profit basis. Watch for our special public service events throughout the year and enjoy the many art related activities offered. Our interesting Victorian building has been designated an historic landmark by the New York City, New York State and Federal governments. Visitors are welcome; membership by artists and lay people interested in the arts is encouraged.
